PROFESSIONAL SUMMARY

I am a dedicated and versatile Care Manager at Kujali Care Ltd, leading operations, team performance, and complex clinical support. My background combines strategic expertise in Financial Management, HR Leadership, and CQC Compliance with hands-on proficiency in neurological and physical care. I specialize in managing complex needs, including Epilepsy, Dystonia, and Autonomic Dysreflexia, ensuring safe, person-centered support. With a strong foundation in Quality Assurance and Business Growth, I am a proactive leader focused on operational efficiency and high standards of service. I am willing to relocate and eager to apply my diverse managerial and clinical skillset to a challenging new role.
